

Japanese Restaurant Association of America

Membership Benefit & Application

We believe that providing quality services as workers in the Japanese food-related industry is a very important part of any foodservice business. Please take a moment to review JRA membership benefits and to apply your membership below. JRA is to represent, educate and promote the Japanese food/drink related industry in the Southern California. We are now accepting Individual members who do not work as a restaurant manager or owner as well as Supporting and Regular members. If you have any questions, please contact the JRA office.
